### Background Information

1) Country:

2) Name of requesting institution(s) within the country and its physical mailing address:

Please note that requests for ZEV-RRF support must be submitted entirely by or in direct partnership with a national government ministry and/or technical agency. The ZEV-RRF currently cannot accept requests from entities unaffiliated with the national government of an eligible country.

### 3) Brief description of the request (~250 words)

Please provide a concise summary of the request to the ZEV-RRF. The summary should include the need for the requested assistance, the nature of the assistance sought, the targeted vehicle segment(s) (if relevant), and the impact the assistance could have in advancing the ZEV transition in your country.

### 4) Expected outputs/deliverables from the technical assistance

Please briefly describe your vision for the final product of this technical assistance (e.g., research report(s), analysis, technical training, policy design support, etc.).

### 5) Anticipated timeline

If there is a cut-off date for the requested technical assistance to be completed by, please mention it here, along with the reasons for it.

6) Optional: Please describe any ongoing or past technical assistance (TA) programs relevant or connected to this request.

If you have any ongoing or past notable TA program on ZEVs, please briefly discuss that here (nature of assistance, agency providing it, timelines, etc.) and share how the requested assistance relates or fits with it. (For example, if the ongoing TA program does not cover the requested assistance within its scope, please mention that here).

*Please include any documents you would like in support of your request as attachments to your email.*
